

# 1 Peter Bible Study

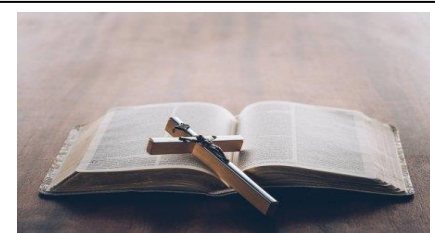

## Lessons from a Fisherman

Has your life turned upside down? Peace interrupted? Life has a way of throwing us curve balls. Peter, the disciple, also knew what it was like to go through hard times. He was threatened, punished severely, spent time in jail and endured harsh words. Peter stayed strong in the Lord. The book of Peter is a survival manual for us to learn how we can act and respond when life is just not fair. Peter shares words of hope and joy for making it through hard times.

### Key Themes of 1 Peter:

- Our richest inheritance isn't here – it's in heaven.
- It is up to each Christian to remain pure.
- It is an honor to suffer for Christ.
- Satan fights against the growth and victory of believers.

**Four-week bible study starting in June.** Study will be posted on church website each Friday - June 5, 12, 19, and 26. Each week I will also email my notes out to anyone who requests a copy. All you need is your bible! Let's learn from Peter together!
